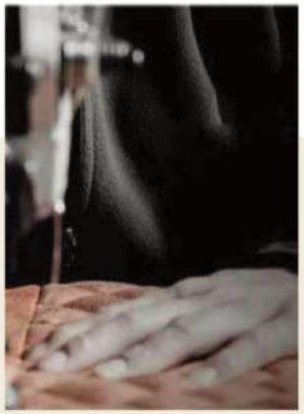
Design your life

NEW COLLECTION

NEW COLLECTION
REDEFINED ORIGINALITY AND STYLE
TO CREATE ENVIRONMENTS
A SINCERE AND TIMELESS SOUL.

As in the past, through the relationship between place and art is still present today, all kinds of objects belonging to the visual world have become a part of art and place. Aesthetics includes not only the beauty in art, but also the beauty in your living place.

HIGH TECHNOLOGY IN ALL PRODUCTION AREAS



Comfort & Quality

A special skeleton designed with static engineering calculations in the computer environment, cut in CNC machines and formed in accordance with world standards, all with contra fit and glue.
In order to provide the most comfortable and long-lasting sitting, high quality elastic column produced with the best technology and standard quality, high-density, appropriately soft sponge that has passed long-term tests.
Tightly woven, robust and durable fabric against wear and fading.
Well-designed, long-tested functional mechanisms.
